Good afternoon,

Attached please find the agenda for tomorrow's DNAC meeting. As most of you know, we have recently undergone a recruitment and interview process for the Dairy Nutrient Management Program Manager position. We have asked our top candidate to attend tomorrow's meeting and talk with you all about her vision, etc. for the program. Chery Sullivan will join us around 10:50am. I've attached Chery's application/resume for your review, in the interest of confidentiality please do not share.

We will also be discussing the report that was submitted last year to the Governor & Legislature. Here is the link to view that report: <https://agr.wa.gov/FP/Pubs/docs/634-DNMP2017LegReport.pdf>

For those of you who are not going to be able to attend in-person, I have made arrangements for a call-in option. The number to call-in is below:

[Ex. 6 Personal Privacy (PP)]

Code: [Ex. 6 Personal Privacy (PP)]

Please let me know if you have any questions.

Thank you,
Megan
